Meet the kitchen team

The Master Chef — You control the chef at the stoves: manage cooking stations, pour batter, watch timers and plate fresh food on banana leaves.

Waiter Shinchan — The energetic, mischievous runner carries tickets from tables to the kitchen counter and serves hot dishes to customers.

From order to happy customer

PHASE 01

Take the ticket

Customers order and Shinchan brings tickets to the kitchen.

PHASE 02

Cook the dish

Cook the food and take it to the serving counter.

PHASE 03

Serve & delight

Shinchan delivers the orders to the tables.

Time each dish just right

Collect food in the sweet spot for maximum quality bonuses. Too early it is raw; too late it burns.

Movement: WASD / Arrow Keys
Navigate between steamer, griddle, and counter.

Action: E / Space Key
Interact with stoves, pick up plates, and place food for pickup.

A menu full of South Indian favorites

Idly — pillowy fermented rice cakes with chutney and sambar.

Dosa & Egg Dosa — golden, lacy crepes, with spiced egg variants.

Poori Masala — puffed golden pooris with potato and onion masala.

Ven Pongal & Chapati — ghee-tempered pepper rice and soft whole-wheat flatbreads.
